**HARROW LAWN TENNIS CLUB
SEPTEMBER 2010**

ANYONE FOR TENNIS?

Tennis –not just for summer, but for life!

Harrow Lawn Tennis Club (HLTC) set in the magnificent grounds of Harrow School has a full winter programme starting this month. For those who think tennis is solely a summer sport, have a look at some of the events happening at the club over the coming months.

Club President Wendy Driver said 'We play year round in all weathers. Our courts are suited to any standard of player and we welcome members at any time.' **Vivien Mrowiec** leads the very successful women's teams which resulted in the the third team being promoted, the first and fifth teams finishing in the top three of their divisions and the second team holding their place in division two. The five men's teams headed by **Alex Bolotov** also finished well within their respective divisions.

Wendy with her partner Jim Sturrock recently won the popular **Club Veterans Mixed Doubles Tournament** and claimed the cup for 2010 (see picture).

There are many ways to get involved over the coming months, **Singles Box, Doubles Ladder** and **Team Handicap tournaments run through the winter** as well as the **End of Month Tournament** held on the last Sunday of each month. New member Chris O'Mahoney said 'There's so much going on you'd be mad not to get involved.' The club tournaments are great ways to improve match skills for next summer's leagues, as well as playing socially with the friendly club members.

The weekly group and individual coaching sessions for adults and juniors, run by Pete Rutland and Elaina Forland are very popular. Non-members are welcome to join the adult group coaching at 10.00 a.m. each Saturday.

The Ladies Team has entered the **Esporta Northwood Charity Autumn Ladies Mid-Week League** for the first time and convincingly won the first two rounds. Results will be published in full next month.

Social events this month include a **Comedy and Music** night on 25 September, featuring the unique duo **Brian and Krysstal** at the Harrow School Social Club. For further information please use the contact below. There is also an organised **bike ride** in the **Chilterns** on 26 September.

Finally there is a special offer on membership for family, individual, or student members. Beginners and more experienced players are welcome. Please contact the club via the website at www.hltc.net
