**HARROW LAWN TENNIS CLUB
MARCH 2014**

HLTC WIN THE MIDDLESEX CUP

On 9 March Harrow Lawn Tennis Club won the **Mixed Middlesex Cup**. This is the second year in a row the club has won the cup.

Team Captain Wendy Driver said "The final was played in glorious sunshine and in good spirits which resulted in a great win for Harrow!! All the spectators agreed it was a tremendous match to watch with very talented and skilful players representing both **Harrow and Bush Hill Park**. Two of the rubbers went to a nail-biting championship tiebreak, one resulting in an 11 - 9 loss and the other a 10 – 8 win.

I feel very honoured to have captained this talented squad of players in my final year as Mixed Middlesex Cup Captain for Harrow. Over the 20 years or so I have run this team we have enjoyed many highs and lows, last year we gained promotion from division 3 which has been augmented this year with the team gaining promotion to division 1.

It feels very rewarding in my final year as captain to have had players available and capable of taking our club to the top division in this highly competitive and prestigious annual knockout competition.

All the finals players were presented with medals as a sign of their achievement and participation. The players who competed on behalf of HLTC were:

Mick Hooker	Alissa Ayling
Pete Rutland	Trine Juliussen
Chris James	Elena Synesi
James Kavanagh	Janet Mizel
Mark Wass	Tracey Woof

A great result that bodes well for the summer ahead."

A number of other Winter tournaments are coming to a close during March, the results of which will soon be available. At least one other HLTC team looks to have topped their division, with the presentation to be announced shortly.

If you want to get involved with the club, please come to one of our Open Mornings (next one 4 May) or cardio tennis sessions, apply for membership online or contact our new members' liaison officer. All details are on the website at
