**HARROW LAWN TENNIS CLUB
JUNE 2015**

ANNUAL HARROW CUP & CHARITY CUP TOURNAMENTS

Harrow Lawn Tennis Club (HLTC) hosted two of its popular annual tournaments recently: the **Harrow Cup** where members from the Club play four teams from Harrow School; and the **Charity tournament**.

HARROW CUP

For many years there has been an annual tournament of Club members versus Harrow School boys. For a good number of those years the Club have been the victors, however in recent years the boys have recorded wins.

On Saturday 16 May, everyone enjoyed a beautiful sunny afternoon with plenty of high quality tennis. Both teams, consisting of 24 players a side, produced some very entertaining and exciting tennis which was played with good humour and great sportsmanship.

The Harrow School's team proved to be too strong for the Club resulting in an overwhelming 27–9 win to the School. This is a great testament to the tennis programme implemented by John Eaton and other members of school staff, to improve and develop the boys' skills.

The 'Harrow Cup' was presented to the winning team captain, Mathew Wong by Wendy Driver HLTC's past President (please see photos below).

CHARITY TOURNAMENT

On Sunday 7 June (after being postponed due to bad weather), 28 members registered for play in the tournament. After four rounds of an 'American' style tournament, the four players with the most points played a final. The weather was beautiful and finalists Vicky de Lacy and Andy Bunyan v Alex Bolotov and Ber O'Connell were watched in the sunshine by the other members. In a close set, Vicky and Andy triumphed in the end 6-4.

Thanks go to Chris Madgashian who organised and ran the event and to those who provided welcome refreshments after the tournament.

A total of £230 was raised, with £115 going to Headway Northwest London, a charity for head injuries and £115 to Alzheimer's UK Research.

We accept new members all year round from junior to adults, beginners to experienced players. Please browse the website for further information or come to a social tennis session on Saturday mornings.
